- April 10th begins 5th grade LEAP computerized testing.
Having your 5th grader practice using the below link for computer tools;

- April 30th – May 4th – Third-fifth grade LEAP Testing.

Our Kindergarten-Second Grade Students are crushing their reading levels. Remember parents that if your child is not reading on grade level by the end of the school year, he or she may not be considered for promotion to the next grade. Review sight words, spelling words, and have them read, read, read.

Our Third-Fifth grade students are in testing mode! We are preparing for LEAP testing every day in interventions. Continue to push your child by making sure he or she studies and completes homework.
