Our Pre-K students recently took a trip to the zoo. They are learning about zoo and farm animals. Our teachers and paraprofessionals are pushing them to learn all letters and sounds, recognize numbers 1-20, and write both first and last name. Please make sure you have the child complete HW. Do not do the HW for them.

Our Kindergarten-Second Grade Students are still in interventions from 10:00-10:50 to work on phonics skills, fluency, and comprehension. It is imperative that you go over spelling words and sight words with students at home.

Our Third-Fifth grade students are in testing mode! We are preparing for LEAP testing every day. Our students are currently taking a test (LEAP 360 interims) given by the state to see how much they have learned. Please make sure your child is here every day on time.
