May 1, 2018

Dear Parent(s)/Guardian(s):

I want to thank you for choosing B.A. St. Ville Elementary for the 2017-2018 school year. I look forward to working with you and your child again next year.

It has been such a pleasure working with your child and/or children this school year. Each year I begin the school year with such excitement and anticipation of all the great things that lie ahead. I love to see the students grow and grow-both educationally and personally throughout the school year (their own little journey). And at the end of the year, I feel a sense of pride and a bit of sadness as I watch the students leave us for the summer.

We gave lots of hugs, wiped away many tears, comforted many of them when they were missing home or allowed them a break when something traumatic happened in their lives and they just didn't feel like being at school. But in return, we received the greatest joy and blessing of just being your child's principal, teacher, teacher assistant, staff member and that can't be described in words. We consider it an honor.

We are here because of you and we appreciate you sending your child here. We promise to continue to work harder and harder to provide your child with the best education possible in a safe and loving environment. We are looking forward to your partnership to help us continue to do that.

Enjoy the summer,
Mrs. Harrison and B.A. St. Ville Faculty and Staff
